ABOUT AMATEURPIANISTS

AmateurPianists welcomes you to our recital featuring original piano compositions by San Diego amateur pianists. We are pleased to have you join us this afternoon for this special event!

Since our formation in February 2011, we have held over 45 events, from recitals and masterclasses, to lectures and "Concert Chats." Some of our past highlights have included an engaging lecture on mastering the playing of Schumann, a beautiful recital on "Sacred Music for the Keyboard," two previous programs of original compositions, a "Young Artists" recital for anyone 18 and younger, and recitals by outstanding pianists **Thomas Maurice** (Maryland), and **Jeremias Mameghani** (Germany). We have exciting plans for the remainder of 2015, including our all-day piano festival "PianoPalooza" on October 24. *We listen to feedback and comments from our members!* If you have an idea for a recital or lecture topic, please let one of our board members know, or contact us through our website: AmateurPianists.org.

Sign up to play or attend any one of our upcoming recitals by visiting our Meetup page: APSanDiego.org.

AmateurPianists endeavors to provide an enjoyable and supportive atmosphere for piano enthusiasts, bridging performers with San Diego audiences. Thank you to our 700 members, many who have participated at our events. For those who are joining us for the first time today, welcome!
