

ABOUT AMATEURPIANISTS

AmateurPianists welcomes you to this afternoon's piano recital featuring the music talent of eight outstanding pianists as they take you on a pianistic journey around the world!

Since our formation in February 2011, AmateurPianists has provided music performance and education opportunities for pianists of all skill levels through recitals, masterclasses, and lectures. Some of our past highlights include George Fee's "Mastering Schumann" masterclass, a recital on "Sacred Music for the Keyboard," programs of original compositions, a recital devoted to women composers, and much more. We have exciting events planned for this year, including the **San Diego International Piano Competition for Outstanding Amateurs**. *We listen to our members!* If you have an idea for a recital or lecture, please let one of our board members know today, or you may contact us through our website AmateurPianists.org or send an email to info@AmateurPianists.org.

Our mission is threefold: to provide opportunities for piano performance, to educate through masterclasses and lectures, and to host an international piano competition for outstanding amateurs in San Diego.

AmateurPianists endeavors to provide an enjoyable and supportive atmosphere for piano enthusiasts, bridging performers with San Diego audiences. Thank you to our 880 members who have attended (and performed at) our events. Please visit us at AmateurPianists.org for more information and follow us on Facebook and Twitter. **AmateurPianists is a nonprofit, tax-exempt 501(c)(3) organization. Your tax-deductible donation allows us to create more events for classical music-lovers, such as yourself!**
