

How It All Began

AmateurPianists is a 501c3 non-profit organization founded in 2011 by Glenn Kramer to provide performance opportunities for amateur pianists of all professions, backgrounds, and skill levels. Since its formation, AmateurPianists has grown to over 2,200 Meetup members, which includes pianists and non-pianists alike. Performances are held at various venues—from recital halls and libraries to churches and private homes. The group also provides educational opportunities, such as masterclasses and lectures on performance practice, the history of classical music, and much more.

One of our key events is the San Diego International Piano Competition for Outstanding Amateurs—this competition is held every 3 years since 2016. Our next competition is slated for Summer 2025. With the addition of our non-competitive Festival portion, even more amateurs will have an opportunity to play and be heard.

Classical music should be enjoyable and accessible to everyone, and AmateurPianists serves to facilitate this mission by connecting pianists with audiences.

About AmateurPianists
