

ABOUT AMATEURPIANISTS

Since our formation in February 2011, AmateurPianists has provided music performance and education opportunities for adult amateur pianists of all skill levels through recitals, masterclasses, and lectures.

2016 saw a milestone year for AmateurPianists, as we hosted our first international piano competition for outstanding amateurs. In addition to the success of our competition, we organized recitals around the themes of “Brazilian Music,” “Russian Music,” “Women Composers,” as well as masterclasses in performing with chamber musicians, the music of Schubert (taught by George Fee) and piano practice techniques (taught by Bob Freaney).

We listen to feedback and comments from our members! If you have an idea for a recital or lecture topic, please let one of our board members know, or contact us through our website: AmateurPianists.org. You may also reach us by emailing us at info@AmateurPianists.org.

Our mission is threefold: to provide opportunities for piano performance, to educate through masterclasses and lectures, and to organize the San Diego International Piano Competition for Outstanding Amateurs.
